The Umpire Called the Game on Account of Darkness, and Darkness Was Not Upon the Earth.

Umpire Emslie found himself in a dangerous situation yesterday for the lack of good eyesight and proper judgment. In the seventh inning of the Pittsburg-St. Louis game Emalie got the notion into his head that it was getting dark and he called the game. The sun was yet a half hour high and was shinning brightly. The fans became angered at his actions and almost nobbed him. Chleago and Cincinnati had an even break in the Windy City. Shurtliff's Splendid Pitching. A splendid game of baseball was played at Ogden yesterday between the Lobsters and Short Lines, and the lat-ter were licked, as the saying goes, and good and plenty, too. The score was 7 to 2, and is the direct result of the superb pitching of young Shurtlin of the Fuji Tea fame. He held shorts down to three little god for nothing hits, and kept them in the air throughout. The Short Lines put up a good game nevertheless, and Berkeley, Margetts and Taylor carried of first honors. Kidder pitched for the home team, allowing but seven hits and three reasses.
